**STAFF'S REQUEST FOR PROCEDURAL
ORDER**

On August 5, 2011, the Administrative Law Judge issued a Procedural Order that ordered the continued suspension of the timeclock in these consolidated matters and directed, *inter alia*, the Utilities Division Staff ("Staff") of the Arizona Corporation Commission ("Commission") to file its Staff Report or direct testimony on or before December 5, 2011.

Staff has been in contact with the Company to acquire information that substantiates whether the \$200,000 loan provided by the Water Infrastructure Finance Authority ("WIFA") to construct the Company's arsenic treatment plant was used for that purpose. Staff believes this information is essential to the processing of these consolidated matters.

Staff has conferred with the Company, and the Company has requested that the timeclock and filing deadlines associated with these consolidated matters be suspended indefinitely in order to allow the Company additional time to provide the requested information to Staff. Accordingly, Staff, on behalf of the Company, respectfully requests that the Administrative Law Judge issue an order indefinitely suspending the timeclock and filing deadlines associated with these consolidated matters until Staff files notice in this docket that it has received the information discussed herein.

1 RESPECTFULLY SUBMITTED this 18th day of November 2011.
